

Idea 1.

Butterfly Finger Puppet

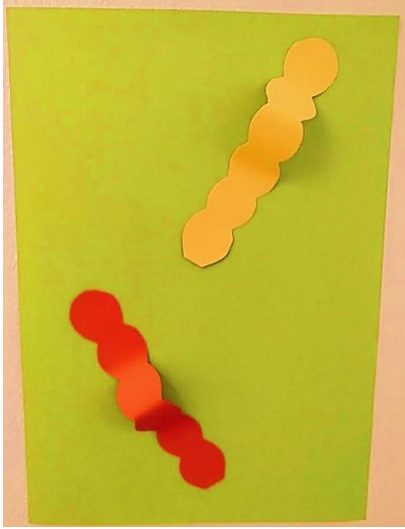

"He has created us anew in Jesus" Eph 2:10b

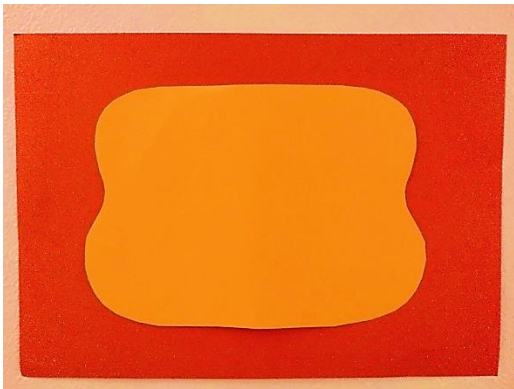

1. Print this page and colour the butterfly.
2. Carefully cut out the butterfly.
3. Make a small cylinder from a strip of paper (big enough to slip your finger through) and tape/glue it to the underside of the body.
4. Copy the text "He has created us anew in Jesus" to the underside of the wings.
5. Make your butterfly fly!

Idea 2.

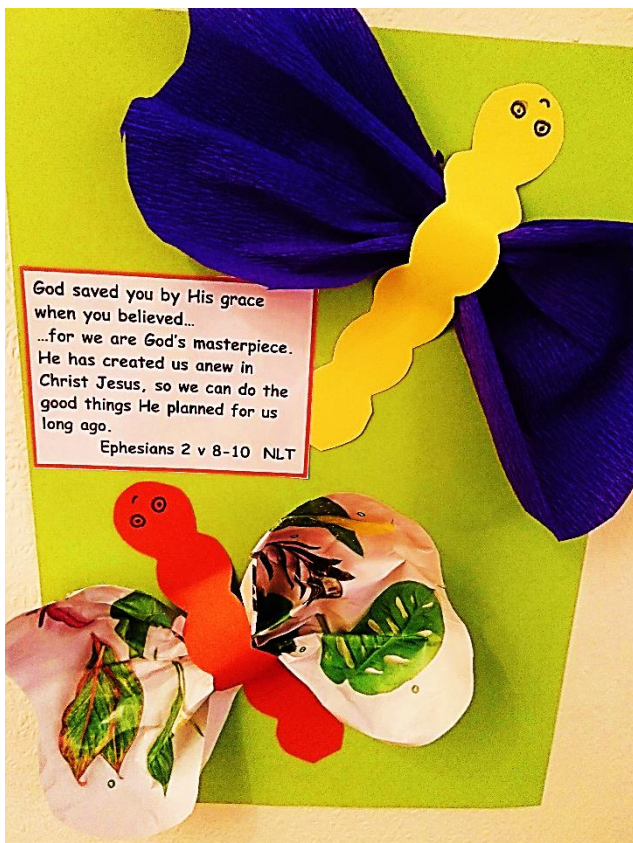

Caterpillars and Butterflies

1. Cut out some caterpillar shapes from coloured paper
2. Stick them to a sheet of paper, but only use glue on the top and bottom portions of the caterpillars - leave a bit in the middle free of glue so that your caterpillars can have a raised loop so they look like they're crawling.

3. Cut out some wing shapes from tissue paper \kitchen roll/magazine pages.
4. **Gently** scrunch them top to bottom and give them a twist in the middle.

5. Carefully push the wings through the caterpillar's loop and fan out on either side.
6. Copy the text onto a piece of paper and glue to craft.

TEXT

God saved you by His grace when you believed....for we are God's master piece. He has created us anew so we can do the good things He planned for us long ago.

Ephesians 2 v 8-10 NLT

Idea 3.

Jesus Gives Life

Plant some seeds eg - cress on some wet kitchen roll/cotton wool, or sunflower seeds in a pot of earth. Or put carrot/parsnip tops in a saucer with a little water.

Watch them grow and change. Think about how seeds seem small and hard and 'dead', but they can change and grow into new life.

Idea 4.

Go into the garden or go for a walk. Find a branch that is just coming into bud, leaf or flower. Take a photo. Go back and look again in a few days. How has it changed and grown? Take another photo. Repeat.

Think about - who gives it life?

He created us anew in Jesus Ephesians 2 v10

Directions: Use the color key below to reveal the beautiful butterfly.

1 = Green

2 = Orange

3 = Brown

4 = Blue

5 = Purple

6 = Yellow
