Print the hands onto card, or onto paper and stick onto a sheet of card and cut them out. Colour and decorate, then attach a strip of stiff card or a lolly stick or stick from the garden to a back of each wrist, so that you can hold on to them and show how BIG God's love is but you won't be able to!

Idea 2.

Go for a walk or go into your garden. Look around - what is the highest/tallest thing that you can see? The most massive thing? The widest thing? The longest thing? Maybe you could go outside when it's dark? - what can you see that is the most far away?

Think about how big God's love is! - look in the Bible and read or listen to **Ephesians 3 v 16-21**

Think about how big God's love is for you! - look in the Bible and read or listen to **Psalm 139 v 1-18**

Idea 3.

Get a ball of string or wool. How far will it go around the room or house or garden?

Pretend it is God's love - although it is *no where near* long enough!

Write or draw prayers on pieces of paper - things you want to tell or ask God about, or things you want to thank Him for.

Peg your prayers along the line of His love. His love is always more than we can ever need.
