## Listening Ears

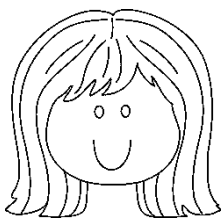

In Ephesians God tells us the best way to live as happy families under Him. We are all different and each have a different role or place in our family.

As husbands and wives, mums and dads and children, we all need to listen to Him and do as He says.

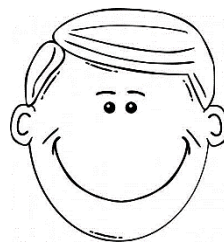

In this way we can be obedient to the Lord - pleasing Him with the way we live and showing love to everyone in our family.

**Print the pairs of ears on page 2** - you'll need one pair of ears for each member of your family. Carefully colour and cut out your ears. Make a band of paper or card to fit around your head and attach your ears each side. All put your ears on ..... are you ready to listen?

## Idea 2.

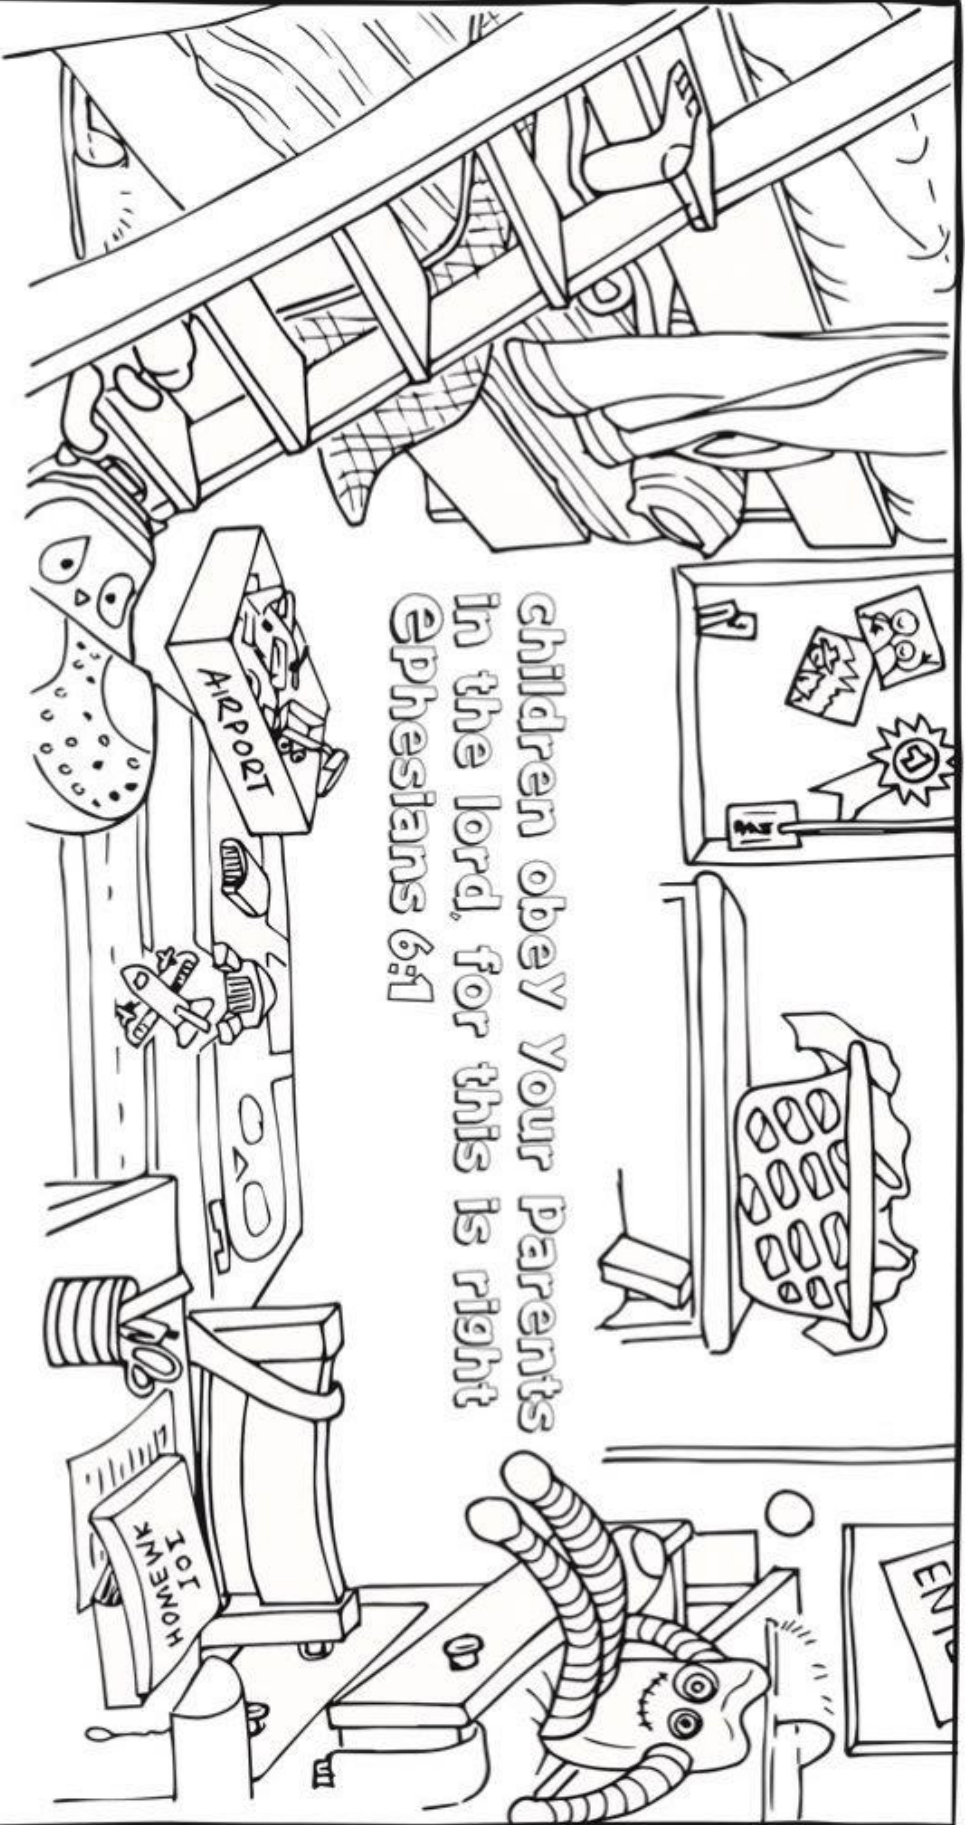

## Balloon Game

Blow up 6 party balloons and use a perm. marker pen to draw a family member on each balloon. Now write the Bible reference that matches with that person and you could also write the first word of the verse, as a prompt.

Now - get all the balloons up in the air and they must stay up in the air with everyone making sure they don't come down. *Don't let God's Word fall to the floor!* If a balloon touches the floor, then stop and pass it to the person in the family who it 'belongs' to. Can that person, or everyone together, remember the verse from Ephesians? See if you can remember and say all the verses?

This is difficult teaching. When you're puffed out, finish the game and maybe spend some time together talking to Jesus about these verses. Ask Him to help you with some of the things that you find difficult.

children obey Your Parents  
in the lord, for this is right  
Ephesians 6:1

Lord, I like to obey mom and Dad  
because you ask me and  
I am learning to follow you too!
